LIFESTYLE GUIDE

What to Wear & What to Bring

What to Wear

There's no formal dress code, but our guests tend to arrive in elevated casual — the kind of look that photographs beautifully and feels right on a luxury yacht.

◆ Women

Flowing sundresses, linen sets, resort wear, flat sandals or wedges

◆ Men

Linen shirts, tailored shorts, loafers or boat shoes

◆ Evening charters

Smart casual — a step above daywear for sunset and city-lights cruises

◆ Footwear

Soft-soled shoes only. No black-soled shoes that mark the deck

What to Bring

Velora takes care of the details, but here's what we recommend guests bring aboard.

◆ Sunscreen

Reef-safe SPF 50+ (we keep extra on board)

◆ Sunglasses

Polarised lenses are best on the water

◆ Light layer

A linen jacket or wrap for evening breezes

◆ Camera

Your phone works perfectly — the yacht photographs beautifully

◆ Swimwear

If your route includes a swim stop, bring a change
